A smart and convenient program that provides fleets more value.

Since 1992, Double Coin has been providing exceptional value and product availability to the transportation industry. Double Coin manufactures and markets a wide range of commercial truck bus radial tires, along with radial off-the-road tires. The Double Coin distribution network is comprised of many of the most influential full-service commercial dealers and distributors throughout North America.

Double Coin's Smart Money Fleet Program is another way we deliver value to the transportation industry. Our program allows fleets to purchase high-quality and competitively priced Double Coin TBR and OTR tires at over 1,700 points of sale across North America.

PARTICIPATING IN DOUBLE COIN'S NATIONAL ACCOUNT FLEET PROGRAM IS REALLY SMART MONEY

Nation-Wide Access

We know your company operates across the country and requires the convenience of immediate purchase. With our National Account Fleet Program, you get the price and service you expect from your local dealer, no matter where you are.

Competitive and Standardized Pricing

With the Smart Money Fleet Program, you get consistency. Go to any of our authorized truck stops or dealer locations and have peace of mind, you will receive competitive and standardized pricing.

Cashless Transaction

With your account, you will not need to worry about payment at the point of purchase. Our program allows for the convenience of placing all product charges that Double Coin offers, on your account.

Consolidated Billing

Whether you purchase from an authorized service center or truck stop, all billing comes from Double Coin.

OEM Specification Credit

With shrinking margins, every little bit counts. We offer an OEM Spec Allowance for vehicles ordered with Double Coin tires.

The Double Coin Value: Quality, Service, Warranty, Trust

Value starts with a great price. Our relationship does not end with a purchase. Double Coin tires are backed by a 7-year, 3 retread warranty. Our goal is to be your preferred tire partner, year after year, and to earn and keep your trust for the life of your tires.
